

BOXWOOD

A Montessori Inspired Primary Day school est. 1972

We are scientific, multi-aged, and reality based.

Ages 3-7

Our concrete materials gently move the child into abstraction.

We respect individuality.

We nurture a love of learning, and help guide children toward self discipline.

All children can learn to care for themselves... and environment.

Each Child is Treated as an Individual

Students are a part of a close, caring community

Students are supported in becoming active seekers of knowledge
