**Preschool and Child Care Center**

**540-347-2203**

**The need for quality child care is a concern for today's parents. At Jack and Jill, we offer full and part-time preschool and child care designed to meet the physical, social, educational, emotional and developmental needs of your child. Our goal is to provide a warm, loving, creative atmosphere, where independence and individuality are encouraged.**

**Your child will be stimulated by a variety of activities, according to their developmental level. While participating in the various activities, they learn to develop a positive attitude towards their teachers, peers, family and others.**

**To tour our school, please call 540-347-2203 . We look forward to hearing from you!!**
