<p>Program Information</p> 	<p>Linton Hall School is “Growing Goodness” through our Little Sprout Preschool. Early childhood is the most critical period in human growth and development, for it is the period when the foundations are formed. Our role is to foster a life-long love of learning by providing the foundation of a solid knowledge base, self-esteem, independence, creativity, problem-solving, and responsibility for self, others and the natural world. Our dedicated and experienced staff believes that children learn best in a creative and nurturing environment that engages the whole child. Through a well-rounded program we integrate a strong academic, social, spiritual and environmental foundation. Our preschool philosophy is grounded in developmentally appropriate experiences in which each child is offered the opportunity to develop at his/her own pace and to his/her fullest potential. Love and respect are shown for each child as a unique and special individual, and all children are taught to love and respect themselves and one another. Finally, we encourage an awareness of God’s presence in our lives through various forms of daily reflection, song, story and prayer.</p>
Methodology or Curriculum	<p>We offer differentiated instruction through purposeful play to meet the needs of all our students. As no pre-packaged curriculum meets the needs of all learners, we use the best of multiple approaches to teaching; in addition, we use the Handwriting without Tears Program (a developmentally appropriate approach to the beginning stages for writing)</p>
Class Options for 2 year olds	2 Day Preschool (W/F)– 9:00-1:00
Class Options for 3 year olds	3 Day Preschool (M/T/TH)– 9:00-1:00
