Saint James' Episcopal School is a growing, independent school offering preschool classes to children starting at age two and a half, and elementary classes in Kindergarten through Fifth Grade. Established in 1982, Saint James' preschool thrived and became the foundation for our elementary program. In 2016-2017, we have 123 preschool students and 86 elementary students. Diverse faiths and cultural backgrounds are welcomed at SJES. Tuition assistance is available to qualified families.
