

ST. STEPHEN'S EPISCOPAL PRESCHOOL

8693 OLD DUMFRIES RD, CATLETT

540-788-3364

Our School:

We opened our doors over 20 years ago as outreach ministry program of St. Stephen's Episcopal Church to fill a need in our surrounding community. Our continued success in educating preschool aged children is the result of our devoted staff, challenging curriculum, Christian leadership, and supportive congregation.

Our Mission:

The goal of St. Stephen's Episcopal Preschool is to ensure that each child is encouraged by our qualified staff, in a loving Christian atmosphere, to grow and learn at his/her own pace, keeping in mind his/her physical, mental, social, and spiritual needs.

Our Program:

We implement the Handwriting Without Tears curriculum as well as Superhero character trait program. Our curriculum provides systemic learning in language and early literacy, mathematics, social studies, science, dramatic play, and social and personal growth. The classrooms are designed with young children in mind. Students are encouraged to explore, experiment, and engage in learning opportunities within the classroom and beyond.
