

A Music Together® Class is:

- A community of families sharing songs, instrument play, rhythm chants, and movement activities in a relaxed, playful, non-performance-oriented setting.
- Music learned through developmentally appropriate activities that support and respect the unique learning styles of very young children.
- Infants, toddlers, and preschoolers participating at their own levels in family-style classes of mixed ages.
- Parents and caregivers contributing to the enrichment of their child's music environment—regardless of their own musical abilities.
- A new song collection every semester for three years, featuring great arrangements of original and traditional songs in a wide variety of tonalities, meters, and cultural styles.

Each semester includes:

- Ten weekly 45-minute classes teaching a new song collection every fall, winter, and spring.
- Music Together at Home: Helping Your Child Grow Musically—a complimentary booklet and DVD for new Music Together families.
- New professional recording each semester with new songs, rhythm chants, “play-alongs” and tonal and rhythm patterns—on CD and via digital downloads and streaming
- Beautifully illustrated songbook with family activities to enjoy at home
- Quarterly family e-newsletter and access to music, videos, and fun activities in the online Family Music Zone.
- Parent education to help adults understand and enhance their child's music development.

“We really loved it! I feel like my child and I both learned so much. It was cool to see her singing and doing the movements at home more and more each week.”
