

Fauquier Track Camp

We are proud to announce the 2017 Fauquier Track Camp. The camp is open to athletes currently in grades K - 8th. It is designed to appeal to boys and girls at all levels of experience, from novices to competitive athletes.

The camp is a great opportunity for younger athletes to learn about the sport of Track and Field. For older athletes, the camp is designed to strengthen their athletic skills. For all athletes, emphasis will be placed on teamwork, fun, and skill development.

Instruction in sprints, middle distance, jumps, and throws will be given by highly qualified Track and Field coaches. Our coaches have years of experience coaching various age groups. Coaching will be geared to the ability and the experience level of the individual athletes.

Finally, we like to provide unique and fun group activities to make this a camp to remember!
