

Math... Are your children where you want them to be?

MATHNASIUM[®]

The Math Learning Center

Summer Math Camp

June 1st - August 31st

Monday - Thursday 3-7

(Offer good through June 30th)

Summer Math Camp is a great way to give your child (rising 1st - 12th) fun activities to do during the summer while also meeting their educational needs. Our flexible programs can be tailored to meet your child's specific goals. Summer Math Camp is a great way to focus on any of these goals and more:

- Curing Finger Counting*
- Mastering Number Facts*
- Understanding Multiplication*
- Having Fun With Math*
- Making Sense of Fractions*
- Preparing for Middle School*
- Building Confidence in Math*
- Cracking the ACT/SAT*
- Previewing or Reviewing Algebra I & II, Geometry, Trigonometry, Pre-Calculus, or Calculus*

Summer Math Camp Packages - 2017

Parents enroll their children by selecting a package of 90 minute visits. Each visit includes an hour of math and an optional 30 minutes of math/problem solving games. Drop-in any time that is convenient for your family. All visits start and stop on the hour or half hour. Appointments are not required!

Prime 17

Flexible package of 17 visits to be used anytime during the summer. Perfect for those short term goals!

Infinity

Special package designed for getting the most out of the summer. Perfect for making math a priority!
