Camp Mountainside

Summer is the perfect time to get outdoors and connect with nature. The camps at Mountainside Montessori School blend experiential learning, exciting games, scientific inquiry, mindfulness and relaxation activities, and lots of outdoor discovery in ways that will inspire even the youngest naturalist!

Throughout each week, campers will enjoy the relaxed routine of a summer camp.

Campers will experience the school farm by beginning their mornings completing farm chores, feeding the ducks and chickens, and collecting eggs. Throughout the day, they will enjoy new learning experiences in both the classrooms and the beautiful outdoor environments. Campers will join together daily to prepare a mid-morning snack to share. Full day campers will enjoy picnic lunches each day.

"Education should no longer be mostly imparting of knowledge, but must take a new path, seeking the release of human potentialities."

~ Maria Montessori

We offer themed weeks that fit the needs and interests of Primary and Elementary children as well as Adolescents. Our camps incorporate Montessori principles that foster independence and freedom with responsibility for all ages.

"A good beginning never ends."
